For Example:

(l1234567890@stud.sdu.edu.tr)

For graduate student:

(in small letters) | student number **@stud.sdu.edu.tr** should be written

For Example:

(yl1234567890@stud.sdu.edu.tr)

The password is your email password. If you change it yet, the password is your Turkish Identification Number's first 8 digits. (TC ID Number's first 8 digits)

Close all windows with "Ok". After correct settings you can connect to eduroam network.

The image shows a Windows-style dialog box titled "DEFAULT" with a close button (X) in the top right corner. The window features the SecureW2 logo, which consists of a red stylized 'S' shape above the text "SecureW2". Below the logo, there are four tabs: "Bağlantı", "Sertifikalar", "Doğrulama", and "Kullanıcı hesabı", with "Kullanıcı hesabı" being the active tab. The main content area contains a checkbox labeled "Kullanıcı bilgilerini sor" with an unchecked box. Below this are three input fields: "Kullanıcı adı:" with a text box containing "eduroam", "Parola:" with a text box containing "*****", and "Alan:" with an empty text box. At the bottom of the main area is another checkbox labeled "Bilgisayarı açmak için bu hesabı kullan" with an unchecked box. At the very bottom of the window, there are three buttons: "Gelişmiş", "Tamam", and "İptal".
